MEDIUM

Jason Hunt helps people make a bigger positive impact through their personal influence. He is the founder and CEO of Eye Squared Leadership and he has had the pleasure of working with over 22,000 leaders in organizations large and small. Jason's first major leadership role was to run a branch of 100 church members in outer Siberia when he was 19. Since then, he has served in a number of leadership positions, including principal of a school, where he pretty much just told people what to do. It didn't go well. Jason has master's degree in leadership, is certified by the John Maxwell Leadership Institute, is the author of five books, has earned the Certified Speaking Professional (CSP) designation, and is the president of the National Speaker's Association of Minnesota. Jason lives in Owatonna, Minnesota with his wife and four kids.

LONG

Jason Hunt is a dynamic, engaging, and knowledgeable author and speaker. During his second year as a principal of a large middle school, Jason found himself hiding in a portable classroom because he didn't think he could do his "dream job." After realizing that leadership has less to do with process and much to do with people, Jason turned around the toxic culture of the school in three years. Jason has a passion of helping leaders realize the highest calling of leadership: Developing others.

Jason's messages focus on developing an open, honest, and strong connection with those you serve. Being an introvert himself, he always provides relevant and practical tools for developing and strengthening relationships, even amid the many demands of leadership and he knows that the stronger your relationships are the stronger your leadership is.

Jason has a master's degree from the University of Minnesota in leadership, is certified by the John Maxwell Leadership Institute, and is the author of five books.

Jason has had the pleasure of working with over 22,000 leaders in organizations large and small. Recently, he was designated with the Certified Speaking Professional designation, something that only 17% of speakers worldwide have. Jason currently lives in Owatonna, Minnesota with his wife and four kids.
